WHO YOU GONNA CALL? For the last three years the Dakota County Electronic Crimes Task Force has operated under a pilot project to ensure the task force would be beneficial to Dakota County law enforcement agencies. This pilot project, as well as the Joint Power Agreement between the Dakota County Electronic Task Force and the City of Rosemount, and other communities in Dakota County, is due to expire at the end of 2017. The Sheriff's Office and the Chief Law Enforcement Officers in Dakota County have agreed that electronic forensics is extremely important to the future of law enforcement. Through discussion, local law enforcement administrators recognize the need for the Dakota County Electronic Crimes Task Force to continue operations. A new Joint Powers Agreement has been drafted and will take effect January 1st, 2018.

ALBEE HONORED: Dakota Electric Association awarded its first-ever Dakota Spirit of Excellence Award to Farmington Assistant Fire Chief Jeffrey Allbee. The award highlights a first responder who demonstrates leadership, dedication to serving others, teamwork, and integrity. Allbee, a firefighter since 2006 is also president of the Farmington Firefighter's Relief Association. The award recognizes first responders in the Association's service territory, and the brave work they do. Dakota Electric also presented a check for \$5,000 to the Farmington Fire Department to purchase a chemical monitoring system

NOT IN THE TRASH: Recycle your old holiday lights in bins provided at several locations including Hastings City Hall. They should not be put in with trash or with normal recycling items. Continues through Jan. 31st.

HOLIDAY ON ICE: It's the annual Skate With Santa event on Saturday, Dec 16th from 6:00-8:15 pm at the Hastings Civic Arena. Amanda Truax welcomes all to their Christmas show on ice and then get your chance to skate with Santa himself! Tickets available at the door. Santa Skate is a perfect opportunity for photos.

DUMB CRIMINAL: A Miami woman is re-thinking her lifestyle choices while behind bars for identity theft. She stole mail from at least 20 people in her apartment complex. Betty was caught when investigators found all the junk mail from the neighbors in her trash can. She is probably wishing she was someone else right now.

SPORTS FOR FRIDAY, DECEMBER 15th, 2017

LOCAL SPORTS AS REPORTED BY KDWA RADIO

RAIDER GIRLS BASKETBALL WHIPS RAPTORS: The Hastings Raiders Girls Basketball Team kept rolling, remaining undefeated, following their 54-17 thrashing of the East Ridge Raptors, on Saturday, at the Hastings High School Field House. The Raiders (4-0 Overall) held a sizeable halftime lead at 33-4, in one of the most dominating halves of basketball played in Hastings in years, and coming off of a team who had dominated the Raiders for years dating back to both teams' time in the Suburban East Conference. The second half brought many of the subs off the Raider bench, but they too, carried the team to victory with a strong 18 minutes of basketball, closing with a 54-17 win over the Raptors. Mallory Brake led the Raiders with 20 points, while Krystal Carlson closed the game with 19 points in the huge non-conference victory for the Blue & Gold.
