GOOD LUCK!

Drawing is held at end of season

MONDAY, JULY 16th, 2018 LOCAL NEWS AS REPORTED BY KDWA RADIO

FRONT FENCE STANDARD: A common community standard for a front fence maximum height is 3.5 feet, which was adopted by the Hastings City Council. A height of 6 feet is the maximum for side or back fences. The new code does not apply to hedges. A variance could be considered if reasons were justified.

ADVANCED TRAINING : The Dakota County Sheriff's Department recently welcomed Captain Rick Schroeder home from a ten-week training session at the Federal Bureau of Investigation's National Academy in Quantico, Virginia. During his time there Captain Schroeder completed master's level courses from the University of Virginia focusing on leadership, emotional intelligence, contemporary issues in law enforcement, media relations, and physical fitness, which included a 6.3-mile obstacle course run. Captain Schroeder received his diploma from FBI Director Christopher Wray, who presented diplomas to all graduating students during a commencement ceremony in June.

PICTURE PERFECT DISPLAY: The Hastings Arts Center will host two Minnesota Classical Realist Painters, Dyan Padgett and Carrie Kleinberger with an opening reception of their work featured on Friday, July 20th from 5-10 pm. The exhibit will be displayed thru August. The Gallery will be open for viewing on Saturday, July 21st from 10am until 5pm and again on Sunday, July 22nd from noon til 5. The Hastings Arts Center is located at 216 4th Street East.

TRAVEL TIME: A variety of daytrips and adventures are offered through the Community Education and Hastings Senior Center. Those who have taken trips look forward to the fall with a new list of plays and travel options are now available for sign up. These fill on a first come first served basis and and payment must be made at the time of sign up to assure your reservation. All tours will now depart from the Hastings WalMart parking lot.

DUMB CRIMINAL: An alcohol-impaired man decided that an elderly neighbor's electric mobility cart looked like a lot of fun and proceeded to terrorize the cul-de sac. He ran over yards and sidewalks, destroying flowers and eventually crashing it into a row of hedges. Then he taunted cops by removing his clothes and climbing a tree before being taken into custody for theft, disorderly conduct and pubic indecency. He was removed naked from the tree, by the fire department.
