LOCAL NEWS AS REPORTED BY KDWA RADIO

ALLEYWAY INVOLVED: Global Specialties will act as general contractor to get the Riverfront Renaissance 3.1 underway in the alley behind the 100 block of 2nd Street East. Equipment has been set in place and traffic control begins today, that according to Public Works Director Nick Egger. Pavement removal has begun and Egger reminds all business and residents impacted by this work, to park vehicles in the specified alternative locations. He directs those displaced to the Levee Park lot that has a 72 hour time limit for vehicles to be parked there. Another lot located on the southeast corner of 2nd and Tyler Streets near Depot Park is another option. Those with continued questions about long term parking should be sure to sign up for the construction updates through NIXLE by texting RR2018 to 888777. The first phase will last until mid June.

BAND OF BLUE: The city of Hastings has open positions for Full Time police officers, with applications accepted through Sunday, April 29th. Find a link to the application information located on the Hastings City website. www.hastingsmn.gov

SENIOR DEVELOPMENT PROPOSED: The Prescott Planning Commission heard a presentation by Dan Ross of Ross Associates proposing an assisted living and memory care facility. The building site would be adjacent to the Dollar General store in town, Most of the discussion centered on ideas for storm water runoff that incorporate an existing holding pond. The council has continued the preliminary process to determine if the project will be approved.

PARTY TIME: Select the perfect place for a party, graduation, reunion or other special event in a Dakota county park by reserving a picnic shelter. The online reservation sign up is now open. A wide variety of event accommodations can be reserved on a first come first served basis. See the full list of shelters and capacity information on the Dakota County Parks website. DUMB CRIMINAL: Betty Alice Montgomery, 29 of Seattle found out that a street vendor is no easy mark. The woman ran out on paying for some fresh fish at the Pike Place Market, but found a specially trained canine had tracked her back to her car, where authorities wrapped up the case in old newspaper. She will serve 10 days for the \$15 worth of poached salmon.
