LOCAL NEWS AS REPORTED BY KDWA RADIO

REHAB FOR HASTINGS CITY HALL: The Hastings City Hall and attached police station are in need of some rehabilitation but bricks and mortar and the skill required to restore them come at a hefty price. During the city council meeting, City Administrator Melanie Mesko Lee presented a \$7 Million dollar figure, but states not all funding would come from the city budget. Mayor Hicks noted that state funding may be involved. A more complete breakout on costs is expected.

ROAD RASH REVIEW: The Pierce County Sheriff's office reported that two motorcycles traveling together were involved in similar accidents when the bikes lost control on a gravel surface of a Pierce County road, causing each bike to crash, resulting to injuries to a Ramsey, Minnesota couple and an Elk River man. All were transported from the scene to the River Falls Hospital. The extent of their injuries were not known.

CATCH A CARP: The 3rd annual Jason Carp Reuter fishing contest that will take place on this Saturday, June 24th. Organizers say the event is an opportunity to bring your big lunkers in to be weighed at the Coliseum in Hastings. An entry fee of just \$20 includes free food and the chance to have your fish win a prize of up to \$1,000 and a trophy to boot. Biggest Catfish takes home the thousand, with the biggest carp and Sheephead garnering \$250 each. Free fishing for those 12 and under and a band will add to the festivities starting at 7 PM. All proceeds this year will be given to the Amber Alert Association. for more information, contact Mike Reuter, 651-253-8887. The event will take place rain or shine and you can fish anywhere.

DUMB CRIMINAL: Two Atlanta men thought they could commit an easy crime when they spotted the pile of 'cash' on a windowsill. As one smashed the window, his partner acted as a look out. The house owner, awoken by their less-than-graceful entry, went downstairs to discover the broken window and the packet of novelty tissues, printed to resemble money, now lying on the floor. Both Kleenex-nappers were arrested soon after thanks to an alert neighbor who had called the police to supply them with the getaway car license.
