LOCAL NEWS AS REPORTED BY KDWA RADIO

ELECTION RESULTS: Several elections took place in Dakota County including two in Vermillion Township, which elected Mayor Brian Mann and council member Joe Munson. In Miesville, the residents elected Sara Niebur Mayor and Gerald McCarthy for city council. In New Trier, 24 residents elected new mayor Nicole Peine as well as council members Bo Eric Selinder and Ginny Johnston. In the city of Hampton, David Luhning and Anthony Verch will join the council. The City of West St. Paul has a new Mayor, businessman David Napier and three new council members, John Justen, Wendy Berry and Richard Vitelli. In Rosemount, residents re-elected Mayor Richard Droste and named Tammy Block and Paul Essler to the City Council. In Coates, Craig Franzmeier was elected Mayor with Christopher Gores and Jim Horsch taking on city Council roles. In Farmington, 5 candidates ran for 2 available council vacancies resulting in a first ever write in candidate, Joshua Hoyt, receiving enough votes to finish 2. Incumbent Katie Bernhjelm was also re-elected.

TOTALING UP THE COSTS: The Prescott Finance Committee has recommended the proposed tax levy for 2019 to be \$2,200,943, which is a decrease of \$11,125 from 2018. The committee directed staff to move forward with publishing the budget notice and the public hearing for the budget will be held at the November 26th City Council meeting.

TEXT FOR HELP : If you, or someone you know is a victim or a survivor of domestic violence, or the sex trafficking epidemic, help can be found by calling the Day One Hotline of Safe Harbor For Youth and Sexual Assault Resources. Call toll free 1-888-223-1111 for assistance and guidance. This number is answered 24 hours a day, 7 days a week.

DUMB CRIMINAL: In Cleveland, Ohio, a janitor noticed a suspicious package near the boiler in the basement of Warrensville Heights Middle School. He followed protocol, several police, fire department and a bomb squad arrived; the package was retrieved and put through tests to determine what it was. A strong odor was reported to be coming from the package, which turned out to be two decomposing frogs that had been taken from the science lab. Two students were identified as the owners of the package, thinking it would be fun to use the specimens for a video they were filming. Cost of the experiment: nearly \$4,000 dollars for the response.
