## TUESDAY, FEBRUARY 19th, 2019 LOCAL NEWS AS REPORTED BY KDWA RADIO

**HASTINGS CITY HALL RENOVATION FUNDING:** State Representative Tony Jurgens is chief-authoring legislation that would rehabilitate and preserve the Hastings City Hall building. Jurgens' bill, House File 1106, would provide \$2 million in bonding proceeds to make the needed repairs.

**PLUGGING IN TO SOLAR POWER:** The Hastings school district has made a decision to enter into the contract with ReneSola, which is constructing a solar garden in Dakota County. The company will pay the school district \$80,000 to become a partner in the project that should get underway within the year. In addition, District #200 will save approximately \$100,000 annually over the next 25 years, which amounts to \$2.5 million over the life of the contract. In a comment from the school board, they note that the financial incentive for the district is great but it is also important to be a leader in renewable energy for our community. The project will not be placed on school property, rather a centralized location that will also involve other partners who will benefit from the investment.

**TOP SCHOLARS:** Hastings High School seniors Claudia Ketcham and Brian Nielsen have been named semifinalists and Deanna Small has been named a Commended Student in the 2019 National Merit Scholarship Program.

**STAY ON THE TRAIL:** Those who enjoy the many resources at Whitetail Woods regional park should be aware that all trails are NOT created equal. A notice goes out to hikers, snowshoers and dog walkers that the groomed trails for cross country skiing are only intended for that purpose. Cross country skiing passes are also required at a cost of \$6 per day or a season pass for \$25. Skiers 17 and younger do not need the pass. Purchase passes at the Lebanon Hills Visitor Center.

**DUMB CRIMINALS:** An alcohol-impaired college student decided that an elderly neighbor's electric mobility cart looked like a lot of fun and proceeded to terrorize the neighborhood. He ran over yards and sidewalks, destroying flowers and eventually crashing it into a row of hedges. Then he taunted cops by removing his clothes and climbing a tree before being taken into custody for theft, disorderly conduct and public indecency. He was removed naked from the tree, by the fire department. He was sentenced to 150 hours of community service to that neighborhood.
