[DETAILS](#)

Ok sorry for the confusion. Here is what I am going to do. I have an inspection coming up so I am going to issue everyone weapons. I have 1911's and M14's that I am going to issue. I only have 1 M16 left and it is missing some parts so I will not be issuing that to anyone sorry. So with that being said if you want an M14 or a 1911 come and get one. I do not want to have to go through this every year for every weapon. So by you take 1 or 2 weapons you are helping me out and yes you can take them home and shot them with your ammo if you chose. Again sorry for the confusion now come and get your weapons. Thanks Jesse
